CONFERENCE
CENTER**

45 Terminal Loop
Walla Walla

an evening
of science
& stewardship

JOIN CONSERVATION LEADERS

Learn about this region.
What makes our forests special?
How we can care for them?

Keynote Speaker
**DR. DOMINICK
DELLASALA**

Internationally renowned conservation scientist and author of over 300 peer-reviewed papers and nine award-winning books on forests and climate

Recipient of the 2026 *Planet Earth Award* from the *Alliance of World Scientists*

Panel Discussion Featuring

PAULA HOOD

Co-Director of the *Blue Mountains Biodiversity Project*, a non-profit working to protect and restore the ecosystems of Blue Mountains and eastern Oregon Cascades

JAMIE DAWSON

Conservation Director of the *Greater Hells Canyon Council*, advocating for well-connected and healthy habitats for wildlife across the Blue Mountains region

THE BLUE MOUNTAINS
BIODIVERSITY PROJECT
